

STD Clinic

Davis County Health Department partners with Mid-town Community Health Center to offer STD services.

FREE STD TESTING/TREATMENT

- Chlamydia & Gonorrhea (urine test)
- HIV & Syphilis (blood test)
- Antibiotic treatment for Chlamydia, Gonorrhea, & Syphilis if test is positive

No appointment needed for free STD testing.

LOW COST DOCTOR VISIT

- Low cost exam with a medical provider is recommended for those who are experiencing STD symptoms.
- A physician can evaluate you for other STDs not included in free STD screening.

Doctor visit requires appointment.

HEPATITIS TESTING

- An optional low cost Hepatitis blood screen is also available with doctor visit.

Strict client confidentiality is maintained at all times. Patient information is not shared with other agencies.
